## FOREIGN & INTERNATIONAL INSURANCE

Businesses that operate solely on a domestic level have become a rarity in this new global economy. Even without an overseas office, your company may easily develop various exposures in international locations not covered by domestic property and liability insurance policies.

By remaining attentive to our clients, we develop specialized plans tailored to their distinct international business needs.

**The following products below are provided through our Foreign & International department:**

- Property
- General Liability
- Ocean Cargo
- AD&D / Medical
- Employers Responsibility / Worker's Compensation
- Auto
- Defense Base Act Coverage
- Kidnap & Extortion

**Businesses that meet one or more of the following criteria should purchase Foreign & International Insurance:**

- Perform service or work abroad
- Have employees who travel outside of the U.S.
- Have employees which are temporarily stationed outside the U.S.
- Participate in International trade fares or exhibition
- Export products outside of the U.S.
- Have foreign licenses for selling products
- Perform service or work abroad
- Aid or provide service for military or government projects
- Sponsor trips, tours or study groups abroad
- Have international or sales office abroad
- Advertise or sell products internationally on the internet
- Hotel: GL Garage Legal Liability, Property-Business Income, Auto, WC, Marina Legal Liability, Pollution Program, K&E USA Employees, AD&D USA Employees

YOUR NOT SIMPLY  
BUYING INTERNATIONAL  
COVERAGE.  
YOUR BUYING WORLDWIDE  
PEACE OF MIND.
